2024 Mitsubishi Triton GLX-R 4x4 Cardrona | 33,000km | \$46,990

The new-generation Triton has arrived and this GLX-R is a fantastic opportunity to step into a low-kilometre 4x4 ute without the new-vehicle price tag!

Finished in the popular Cardrona, this 2024 Mitsubishi Triton GLX-R has travelled just 33,000km and combines Mitsubishi's proven 4x4 capability with the comfort, technology and practicality of the latest-generation Triton.

The GLX-R sits above the GLX, offering a great balance between workhorse practicality and everyday comfort. With its spacious Double Cab, generous tray and capable 4x4 system, it's equally at home on the worksite, towing, exploring the back roads or handling the daily commute.
