Features / Comments

Built to work hard and present well, this 2020 Toyota Hiace Long Super GL is the perfect blend of reliability, practicality, and comfort powered by the proven 2.0L petrol 1TR-FE engine.

With both keys and fresh tyres, this Hiace is ready to hit the ground running. The paintwork, all seats and interior fittings are in great condition.

Finished in tidy condition and set up in the sought-after Super GL trim, this Hiace offers a more refined driving experience than your standard commercial van, while still delivering the durability and load-carrying ability the Hiace name is known for.

Under the bonnet, the 1TR-FE petrol engine provides smooth, dependable performance with lower running noise compared to dieselideal for urban driving, deliveries, or business use where refinement matters.
Inside, the Super GL spec steps things up with a comfortable and well-appointed cabin. Youll enjoy supportive seating, a clean and functional dash layout, and modern conveniences that make long days on the road that much easier. With excellent visibility and Toyotas
