Features / Comments

Tough, capable, and loaded with premium extras, this 2023 Nissan Navara ST-X is ready for work during the week and adventure on the weekends. With only 33,500kms on the clock, this low-kilometre example presents in fantastic condition and has already been upgraded with a premium ARB Ascent Canopy, adding practicality, security, and serious versatility.

Powered by Nissans proven twin-turbo diesel engine and paired with a smooth automatic transmission, the Navara ST-X offers excellent towing capability, strong performance, and the confidence of a capable 4WD system. Whether you're heading to the worksite, towing the boat, or loading up for a family getaway, this ute is built to do it all.

The addition of the colour-coded ARB Ascent Canopy transforms the rear into a secure and weatherproof storage area, making it ideal for tools, camping gear, sports equipment, or keeping valuables safely out of sight.

Features include:

Masterton
