2019 Mitsubishi Eclipse Cross 4WD Turbo Diesel Rare Japanese Import

Here's something you won't find in New Zealand showrooms! This 2019 Mitsubishi Eclipse Cross Turbo Diesel is a fresh Japanese import, powered by Mitsubishi's proven 4N14 2.3L Turbo Diesel engine.

The Eclipse Cross was never sold new in New Zealand with a diesel engine, making this an exclusive import-only model that's perfect for buyers wanting the economy and torque of a turbo diesel in Mitsubishi's popular mid-size SUV.

This Japanese-market model is specified similarly to a New Zealand XLS, while featuring several premium extras including a Heads-Up Display, heated front fabric seats, and Mitsubishi's renowned Super All Wheel Control (S-AWC) four-wheel drive system for outstanding confidence in all driving conditions.

Whether you're commuting, heading away for the weekend, or simply looking for an economical and capable SUV, this Eclipse Cross
