Features / Comments

2025 Mitsubishi Triton GLX Club Cab Chassis 4WD Ready for Work. Price includes fitted deck. Plus, on road costs and any other required accessories.

The all-new 2025 Mitsubishi Triton is built from the ground up to take on New Zealand conditions with confidence and strength. This GLX Club Cab Chassis 4WD is the perfect combination of practicality, capability, and reliability ready to work hard during the week and go exploring on the weekend.

Under the bonnet sits Mitsubishi's latest 2.4L Bi-Turbo Diesel Engine paired with a 6-speed automatic transmission, delivering outstanding power and torque for towing, carrying, or off-road driving. With the advanced Super Select II 4WD system and rear diff lock, the Triton is always ready for the rough stuff from muddy paddocks to steep job sites.

The Club Cab configuration offers a spacious cabin with rear access doors for extra storage or gear, making it ideal for tradies and farmers who need flexibility without stepping up to a Double Cab.
