Features / Comments

Please note that some of the accessories can be removed if not needed. Such as the Roof Basket, side steps and rear steel bumper.

Tough, purpose-built, and ready to work this 2026 Mitsubishi Triton GLX 4x4 in striking Graphite Grey is no ordinary ute. Already fitted with a serious lineup of genuine accessories, it's been set up to handle whatever you throw at it, whether that's the job site Monday morning or the backcountry on the weekend.

Under the bonnet sits Mitsubishis proven bi-turbo 2.4L diesel, paired with the advanced Super Select II 4WD system giving you the flexibility of 2WD or 4WD on the fly, plus a centre diff lock for true off-road conditions. Back that up with the factory rear differential lock, and you've got serious traction when the terrain turns challenging. This is a ute that doesn't flinch when things get rough.

Accessories:
Genuine Front Protection Bar and Rear Protection Bar
Heavy-duty Sidestep Rock Sliders
