## Features / Comments

Tough, purpose-built, and ready to work this 2026 Mitsubishi Triton GLX 4x4 in striking Graphite Grey is no ordinary ute. Already fitted with a serious lineup of genuine accessories, its been set up to handle whatever you throw at it, whether thats the job site Monday morning or the backcountry on the weekend.

Under the bonnet sits Mitsubishi's proven bi-turbo 2.4L diesel, paired with the advanced Super Select II 4WD system giving you the flexibility of 2WD or 4WD on the fly, plus a centre diff lock for true off-road conditions. Back that up with the factory rear differential lock, and youve got serious traction when the terrain turns challenging. This is a ute that doesnt flinch when things get rough.

What really sets this Triton apart is the gear bolted onto it all the extras youd want, already sorted:

Genuine Front Protection Bar and Rear Protection Bar  
Heavy-duty Side Step Rock Sliders  
Raised air intake Snorkel
